

Glossary of Terms and Acronyms – Conservation Zones Review and technical studies

| Glossary / Acronym | Name | Details | Relevance for Conservation Zone Analysis |
|--------------------|---------------------------------------------|---------------------------------------------------------------|---------------------------------------------|
| B1 | B1 Neighbourhood Centre | Business Zone - Standard Instrument LEP | Not considered |
| B2 | B2 Local Centre | Business Zone - Standard Instrument LEP | Not considered |
| B3 | B3 Commercial Core | Business Zone - Standard Instrument LEP | Not considered |
| B4 | B4 Mixed Use | Business Zone - Standard Instrument LEP | Not considered |
| B5 | B5 Business Development | Business Zone - Standard Instrument LEP | Not considered |
| B6 | B6 Enterprise Corridor | Business Zone - Standard Instrument LEP | Not considered |
| B7 | B7 Business Park | Business Zone - Standard Instrument LEP | Not considered |
| B8 | B8 Metropolitan Centre | Business Zone - Standard Instrument LEP | Not considered |
| C1 | C1 National Parks and Nature Reserves | Conservation Zone - Standard Instrument LEP | Not considered |
| C2 | C2 Environmental Conservation | Conservation Zone - Standard Instrument LEP | Parks and conservation areas |
| C3 | C3 Environmental Management | Conservation Zone - Standard Instrument LEP | Rural Area and Low Density Residential Area |
| C4 | C4 Environmental Living | Conservation Zone - Standard Instrument LEP | Rural Area and Low Density Residential Area |
| Deferred Lands | Warringah Local Environmental Plan 2000 | Area deferred from the Standard Instrument Warringah LEP 2011 | Considered in the 'Rural Area' |
| DMB2 | Locality B2 – Oxford Falls Valley | Locality Statement under WLEP 2000 | Considered in the 'Rural Area' |
| DMC8 | Locality C8 – Belrose North under WLEP 2000 | Locality Statement under WLEP 2001 | Considered in the 'Rural Area' |

| Glossary / Acronym | Name | Details | Relevance for Conservation Zone Analysis |
|--------------------|-----------------------------------------|------------------------------------------------------------------------|------------------------------------------------------------------------|
| E1 | E1 Local Centre | Employment Zone - Standard Instrument LEP | Not considered |
| E2 | E2 Commercial Centre | Employment Zone - Standard Instrument LEP | Not considered |
| E3 | E3 Productivity Support | Employment Zone - Standard Instrument LEP | Not considered |
| E4 | E4 General Industrial | Employment Zone - Standard Instrument LEP | Not considered |
| E5 | E5 Heavy Industrial | Employment Zone - Standard Instrument LEP | Not considered |
| HEV | High Environmental Value Criteria | List of Criteria investigated | Only one HEV Criteria required for C3 or C4 zones, above the threshold |
| IN1 | IN1 General Industrial | Industrial Zone - Standard Instrument LEP | Not considered |
| IN2 | IN2 Light Industrial | Industrial Zone - Standard Instrument LEP | Not considered |
| IN4 | IN4 Working Waterfront | Industrial Zone - Standard Instrument LEP | Not considered |
| Locality | Locality Statement under WLEP 2000 | Includes details on permitted land uses and housing density | Explanation |
| MEV | Medium Value Criteria | List of Criteria investigated | Two or more MEV Criteria required for C4 zones, above the threshold |
| MLEP 2013 | Manly Local Environmental Plan 2013 | Standard Instrument LEP for the former Manly Local Government Area | Relevant zones considered |
| MU1 | MU1 Mixed Use | Mixed Use Zone - Standard Instrument LEP | Not considered |
| PLEP 2014 | Pittwater Local Environmental Plan 2014 | Standard Instrument LEP for the former Pittwater Local Government Area | Relevant zones considered |
| R1 | R1 General Residential | Residential Zone - Standard Instrument LEP | Not considered |
| R2 | R2 Low Density Residential | Residential Zone - Standard Instrument LEP | Low Density Residential Area |
| R3 | R3 Medium Density Residential | Residential Zone - Standard Instrument LEP | Not considered |
| R5 | R5 Large Lot Residential | Residential Zone - Standard Instrument LEP | Low Density Residential Area |
| RE1 | RE1 Public Recreation | Recreation Zone - Standard Instrument LEP | Parks and conservation areas |
| RE2 | RE2 Private Recreation | Recreation Zone - Standard Instrument LEP | Not considered |
| RU2 | RU2 Rural Landscape | Rural Zone - Standard Instrument LEP | Rural Area and Low Density Residential Area |

| Glossary / Acronym | Name | Details | Relevance for Conservation Zone Analysis |
|---------------------|------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------|------------------------------------------|
| RU4 | RU4 Primary Production Small Lots | Rural Zone - Standard Instrument LEP | Rural Area |
| SP1 | SP1 Special Activities | Special Purpose Zone - Standard Instrument LEP | Not considered |
| SP2 | SP2 Infrastructure | Special Purpose Zone - Standard Instrument LEP | Not considered |
| SP3 | SP3 Tourist | Special Purpose Zone - Standard Instrument LEP | Not considered |
| SP4 | SP4 Enterprise | Special Purpose Zone - Standard Instrument LEP | Not considered |
| Standard Instrument | Standard Instrument—Principal Local Environmental Plan (2006 EPI 155a) | Standard template for LEP to guide the new Northern Beaches LEP | Relevant zones considered |
| W1 | W1 Natural Waterways | Waterway Zone - Standard Instrument LEP | Not considered |
| W2 | W2 Recreational Waterways | Waterway Zone - Standard Instrument LEP | Not considered |
| W3 | W3 Working Waterways | Waterway Zone - Standard Instrument LEP | Not considered |
| W4 | W4 Working Waterfront | Waterway Zone - Standard Instrument LEP | Not considered |
| WLEP 2011 | Warringah Local Environmental Plan 2011 | Standard Instrument LEP for former Warringah Local Government Area excluding the deferred lands | Relevant zones considered |
| WLEP2000 | Warringah Local Environmental Plan 2000 | Area deferred from the Standard Instrument Warringah LEP 2011 | Considered in the 'Rural Area' |
